# PUBLIC AUCTION 100

Over the years we have been privileged to offer at auction some of the rarest and most interesting philatelic material from Asia and the World. This Public Auction will be no exception. Our mission statement has always been to carefully describe stamps and collections with the collector in mind so that nothing is overlooked. We firmly believe that this approach has successfully served both buyer and seller for all these years and we intend to continue this policy in the future.

Today's sale starts with a broad Airpost/Postal History section, as well as many early first flights listed under individual countries. The United States section features some very fine early items including 1851-57 Franklins with triple transfer, 'curl on shoulder', and recutting varieties; then Columbians to the \$5, Trans-Mississippi issues to the \$2 (including three \$1); modern with missing colors, imperf between, missing values. Also some 20 lots of choice Confederate States with several long Union and Confederate letters, as well as a beautiful showing of regular issues plus nice Canal Zone and Hawaii.

You'll find Postal History galore with individual items and a great variety of mixed lots, early to modern. Also presented is possibly the largest quantity of individual country lots and World Wide collections that we have ever assembled with fine collections of DWI, France, Germany and States, Jamaica, Great Britain and Empire, Liberia, Portuguese India (two wonderful collections here) and others.

Asia/China comprises stamps, postal history and 'mystery lots' which are sure to find favor with the audience. Many of the wonderful rarities listed are from the outstanding collections of China formed by our dear friend Robert Cihak. Note excellent Shanghai, Nanking in complete sheets, many China collections, and Large Dragons galore! The 1897 30c/24 candarin rarity (Sc. 72)/ Chan 81) with certificate is here plus lots of Dowager errors and specialized Red Revenues, e.g. the small 2c. on 3c. sheet margin copy with inverted overprint (Sc. 79a/ Chan 84i) (ex. David). Lovely Chinese postal history with Boxer Rebellion, mixed frankings, incomings with U.S. postage 1886-1900 (Lot 333). Large Dragon 1878 3 candarin tied by tombstone on red band cover. Large Dragon 1882 1 candarin tied Samsui cancel to card.

Republic of China: Foochow and Nanking to \$5, each with certificate. All the best ROC is here, see the ultra rare 50c. unissued Flying Geese and Postage Due errors. Sinkiang Sc. 16a, 1915 \$1 transposed characters, first time we've offered one. What a rarity! Fewer than 10 known!

Fine selection of Liberation Areas Scott/Yang material with exceptional variety of stamps and postal history. Do look this section over carefully. The PRC Unified is wonderful with just about everything. Note the rare Table Tennis S/S with missing gold, VF NH; Mei Lan Fang imperf. Set on cacheted unaddressed FDCs; Peonies S/S superb NH + FDC and more.

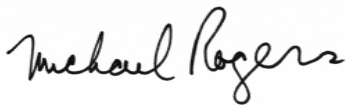

Then many Hong Kong collections and a massive amount of Japan with many collections and accumulations. All the classics accompanied by ISJP certificates. Japanese Occupation of Malaya postal history is a treat. Korea with 1902 Emperor's Crown Sheet; North Korea collection of military correspondence during the Korean War. And more.

We proudly present Ryukyu Islands with many of the rarities ex. Sim Wilson who acquired most of the material directly from George MacLellan, the Ryukyu Philatelic Specialists Society's expertiser: The Microwave set without surcharge; 1960 9c./4 yen inverted legend without 9c.; Kume Shima proof; both 1948 5 sen brown lake strips of 10 (one with missing 9 handstamps, the other even rarer missing 8); also one of the four recorded Yaeyama paid reply postal cards.

An additional offering from the outstanding Louis H. Bornmann Tibet holding is offered, plus much more elusive material.

We value your participation in our 100th Auction and hope to continue providing you with the variety and rarity you have come to expect for many years to come.

Michael

A reminder to our potential consignors. The market has never been stronger for good Asian material. Anyone who saw the phenomenal results achieved by the Bornmann Tibet in our April Sale 99 (including the highest price ever realized for Tibetan postal history: Lot 793, \$23,287.50 including Buyer's Premium) knows that 'overlooked' areas such as Tibet, Nepal, Mongolia, Tannu Tuva, and Bhutan have a dedicated following of knowledgeable collectors who avidly seek material for their collections. Don't hesitate to call if you have a collection that requires a specialized sale to realize its greatest potential. We have the collectors, do you have the material?

**THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.**

**CONDITIONS OF SALE**

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
4. There is a 15% buyer's premium added to the hammer price.
5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You may confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434.

**PAYMENT (See Credit Rules on Page 8)**

7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**
10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.
11. All cost of mailing lots will be paid by buyer. We normally mail lots via certified mail (**minimum \$6**); foreign buyers, (**minimum \$12**) registered. (For successful overseas bidders with lot totals exceeding \$1000, items will be shipped via Express Mail unless otherwise specified.) Express Mail minimum \$19.00. 12. All returned lots are at expense of buyer.
13. **International Bank Wire Instructions:** Century National Bank (wire department), 65 North Orange Avenue, Orlando, FL 32801 (407) 515-6500. Routing #063114810 For Credit to: Michael Rogers Incorporated Auction Account #6593941.

**AUTHENTICITY**

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
15. All lots for which an opinion is sought must be paid for at the time of notification.
16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".
17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.

The 1906 is a favorite with imperf pairs and 8 inverted centers. Comprehensive 1909-12 pictorials with imperf pairs and inverts. The wonderful 1910-7 surcharges lack only 6 for completion by Scott, plus has varieties like 1916 "3" invert. Much more follows. (There's a huge von Saleski valuation for the specialized material that goes beyond Scott). Then considerable post war modern errors like complete sheets without designs, 1936 C1-3 (Sc \$450), 1941 C18-26 ex. C23 mint, 1944-5 triangle set and errors, much more. 1916 Military specialized, air special inverts, lots of officials imperfs, etc. Too much to describe! Excellent condition. ....

Two staple holes identify the plate position #3, and are the result of the JPB securing the pad of 100 sheets prior to packaging/shipment. Positions #1-4 of C19c were sold in vertical pairs (ie. 1-11, 2-12, 3-13, & 4-14), while positions 5-10 were sold as single errors. This was because the stamp beneath the C19c error bore the particular "9c" denomination that would have appeared on the error above, and four collectors wanted it this way.
