## Public Auction #102

**Friday, Jan. 13, 2006 10:00 A.M.**

**Best Western Mt. Vernon Inn**

**110 S. Orlando Avenue**

**Winter Park, FL 32789**

Welcome to our 102nd Public Auction, a month later than usual due to our moving our offices and installing new software which we trust will benefit everyone. The auction is, as usual, chock full of the expected and unexpected. The U.S. section has a nice variety of fine used top values from the 1869 90c Lincoln, a 90c Perry, beautiful \$5 Columbian, \$5 Marshall, \$1 Trans-Miss., etc. Also beautiful NH singles, blocks and Plate blocks of the 1917-26 issues with values to the \$5. We are pleased to offer a recently discovered full sheet of 50 of the 1943-44 Poland issue with reverse printing of colors, as well as NH blocks of 4 of C1-3, a 24c Jenny 'grounded plane' NH and Plate # singles and blocks of 4 of the ever popular Zeppelins. A fine selection of postal history rounds out the U.S. section. You'll find a valuable British Empire collection, carefully put together over the past 40 years, suitably broken down with almost every colony represented from earlies to the 1940s.

We offer a further selection of our dear friend Robert Cihak's China and related areas with some wonderful postal history. Speaking of China, be sure to look at the Wei Hai Wei Courier Post issues which includes a rare 5c Black on red single and a lovely block of 4 of the 2c value. Imperial China is well represented with such goodies as a lightly hinged 1897 9 candarin Dowager, an 1897 10 cent on 9 candarin inverted surcharge LH, nice Flying Geese issues and a lovely block of 9 of the 1912 3c Nanking Provisional NH with pure white gum. Other Asian specials include the 1905-06 First Korean Souvenir booklet (only 300 produced); Ryukyu rarities with Scott # 3X2b, 3X9v, 4X1 and 4X3 in fresh NH blocks of 4; a variety of scarce individual Tibetan postal history plus an accumulation of 200+ covers from 1957-1980s offered as one lot. Italian collectors will find an array of singles and covers from the Italian States with emphasis on Modena, Tuscany and Parma with many signed items. However, the highlight of the Sale is the 138-volume Beck collection of Germany which we trucked back from North Florida and have broken down into 72 meaty lots. This great collection/accumulation includes everything from the States to Germany proper plus Colonies, Occupation Issues, Territories, Locals, Revenues, DDR and on and on. A huge quantity of postal history could take hours to view. Add this to the country collections and Worldwide box lots and you should probably count on spending 2 days with us just viewing. As the song says: "Come one, come all, you're going to have a ball!" Happy Bidding.

**THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.**

**CONDITIONS OF SALE**

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
  2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
  3. The highest bidder shall prevail (one advance over the second highest bidder). Unlimited or buy bids are not accepted.
  4. There is a 15% buyer's premium added to the hammer price.
  5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
  6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You may confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434. **NOTE:** Customers bidding on the phone during the auction will be charged a minimum of \$10 for domestic calls, and a minimum of \$20 for overseas calls. Daytime hotel rates apply.
- PAYMENT (See Credit Rules on Page 6)**
7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
  8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
  9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**
  10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.
  11. All cost of mailing lots will be paid by buyer. We normally mail lots via certified mail (**minimum \$6**); foreign buyers, (**minimum \$15**) registered. (For successful overseas bidders with lot totals exceeding \$1000, items will be shipped via Express Mail unless otherwise specified.) Express Mail minimum \$19.00. US & Foreign Delivery successful winners under \$20 sent by first class or regular airmail with a **minimum shipping and handling charge of \$3**, not Registered or Certified, at customer's risk.
  12. All returned lots are at expense of buyer.
  13. **International Bank Wire Instructions:** Century National Bank (wire department), 65 North Orange Avenue, Orlando, FL 32801 (407) 515-6500. Routing #063114810 For Credit to: Michael Rogers Incorporated Auction Account #6593941.

**AUTHENTICITY**

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
15. All lots for which an opinion is sought must be paid for at the time of notification.
16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".
17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.
