Welcome to our Public Auction Sale #103 of Asia and Worldwide material. As usual, we have assembled a nice showing of early China including Imperial China 1897 'One Cent' on 3c Red Revenue in a full o.g. positional block of 122 showing listed varieties (Sc 78), ROC with Nanking Provisionals including the 16c with full original white gum (Sc 141), later with a 1912 2c Green with inverted overprint cancelled Wuhu (Sc 162a). Provinces include the 1915 Sinkiang 1st overprint in red on the \$1 Black & Ochre with clean white gum showing 2nd and 3rd characters of the overprint transposed, with 2006 Royal Philatelic Society of London certificate. Some rare PRC Liberated Areas include a West Hunan-Hubei 10c (Jiao) Red in unused vertical pair (Yang RP11), a 1930-32 Hunan-Kiangsi border 1c Grayish Blue (Yang RP12) and the rare 2c Bluish Green (Yang RP13) as well as a 1932 Soviet Post 1c Deep Red with two shaded circles (Yang SP5), all unused. Note Unified 1962 Mei Lan Fang set in imperforate blocks o.g. NH. Nice Japan with better mint NH and large dealer stocks of Ryukyu stamps and postal stationery plus individual rarities (Sc 17 NH and fine used) are also here.

The Worldwide section includes some wonderful British Empire with individual rarities such as a Jamaica QV 2 1/2d used in Cayman Brac (Sc A24), KUT George V 1922 high values to the £100 overprinted 'Specimen', Newfoundland 1860 1/- Orange on thin wove fine used, 1915 British Occupation of the Cameroons overprinted CEF set of 13 fine used and all signed (Sc 53-65), also good collections of Bahamas out-island postmarks, Barbados Parish Cancellations with both bar cancels and bootheels, a selection of the 'Glover flaws' from Cayman Islands, Cape triangles and Boer War Occupation handstamps, plus so much more. Loads of scarce medium range material from Canada, Western Australia, British Caribbean, British Africa are sure to find new homes. A nice selection of GB Used Abroad is suitably broken down with better varieties included such as the 1867 10d Red Brown with inverted watermark used in Constantinople. The United States section contains some beautiful items, e.g. an 1858 5c Jefferson Type I full o.g. copy (Sc 27), a lovely 1860 24c Gray Lilac Washington o.g. NH (Sc 37), an 1860 90c Washington o.g. NH with minute pinhole (Sc 39), a 1902 1c Full face McKinley postal card proof, 1920 2c on 2c Carmine on amber cut square (Sc U455), just to highlight a few. We are extremely glad to offer some of the finest collections of Denmark, Finland, Norway and Sweden that we have had, loaded with earlies including watermark, perf and paper varieties all described in Facit. Other valuable collections include U.S. Ducks, Brazil, Canadian Revenues, Germany, Great Britain, Iran, Italy Sardinia, etc. For an interesting addition to your collection, don't forget to have a look at the selection of early maps showing various Caribbean islands including a 1598 map of the West Indies showing the Bahamas with their original Indian names, a 1534 Bordone map from his 'Isolaria' showing one of the earliest depictions of the Leeward Islands, 1794 Edwards map of Dominica (early version) and others. Forty large lots round out this exciting day. Be prepared for some heavy bidding and best of luck.

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.

CONDITIONS OF SALE

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
 2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by the auctioneer not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. Auctioneer shall not be liable for any errors or omissions in the execution of telephone bids taken during the auction. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
 3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
 4. There is a 15% buyer's premium added to the hammer price.
 5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
 6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You must confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434. **NOTE:** Customers bidding on the phone during the auction will be charged a minimum of \$10 for domestic calls, and a minimum of \$20 for overseas calls. Daytime hotel rates apply. Phone bidders must fax or e-mail a copy of the bid sheet, signed and with valid credit card number listed, showing lot numbers they wish to be called for. Reservations for phone bidders are limited. If we do not receive a signed bid sheet with a valid credit card listed, we will be unable to add you to the reservation list. Customers bidding on the phone are subject to all the same requirements and conditions as all other bidders.
- PAYMENT (See Credit Rules on Page 6)**
7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
 8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
 9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**
 10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.
 11. All cost of mailing lots will be paid by buyer. We normally mail lots via certified mail (**minimum \$6**); foreign buyers, (**minimum \$15**) registered. (For successful overseas bidders with lot totals exceeding \$1000, items will be shipped via Express Mail unless otherwise specified.) Express Mail minimum \$19.00. US & Foreign Delivery successful winners under \$20 sent by first class or regular airmail with a **minimum shipping and handling charge of \$3**, not Registered or Certified, at customer's risk.
 12. All returned lots are at expense of buyer.
 13. **International Bank Wire Instructions:** Century National Bank (wire department), 65 North Orange Avenue, Orlando, FL 32801 (407) 515-6500. Routing #063114810 For Credit to: Michael Rogers Incorporated Auction Account #6593941.

AUTHENTICITY

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
15. All lots for which an opinion is sought must be paid for at the time of notification.
16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".
17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.

The capital 'A' signifies a major variety, and this stamp receives that heady recognition because it's a different printing of the basic stamp than that which was overprinted to produce PM29. The two chief differences are Paper (PM29-A: white, and PM29: gray off-white) and Ink (PM29-A: orange-red, with much emphasis on the latter, whereas PM29 is an almost pale orange by comparison)."
