**Best Western Mt. Vernon Inn
110 S. Orlando Avenue, Room 144
Winter Park, FL 32789**

Welcome to our Public Auction Sale #104 of Asia and Worldwide material. Strong China with most interesting Qing Dynasty collections and individual values. Dowagers varieties like 1894 9 candarin without watermark and 12 candarin retouched. A Customs cancellation collection stand out (lot #222). Note the 1886 U.S. Offices in China cover (lot #247B) mixed franking U.S./China Small Dragons. The PRC Liberations are a slice of Zeldon Sheinfeld's magnificent collection; more to follow in December's auction. And so much popular PRC Unified. The mint 1952 Soviet set is a rare prize. Much fine Asia abounds like all phases of Indonesia/Japanese Occupations/Revolutionary period/Independence. Wonderful Japan with many accumulations/collections to peruse, C8 NH, postal history, Revenues, etc. Korea 1900 1p on 5p magnificent cover with total of 15 (!) tied. Southeast Asia, Manchukuo, fine Ryukyu including more Sim Wilson material, Vietnam and Yemen Kingdom

Worldwide includes a strong showing of U.S. with PSE certified mint Columbians \$1 to the \$4, scarcer items such as a fine used copy of the 1922 1c Green rotary press sheet waste issue (Sc 544), later with the 1943 France Flag stamp showing reversed printing of the colors in complete NH pane of 50, Airs with Zeppelin NH blocks of 4, LH singles, and more, especially a very scarce 1901 Guam Registered cover to Dresden, Germany with multiple frankings including the 50c and \$1 values. Worldwide special picks include Austria 1946 with the two unissued Nicht Vergessen stamps, Fine-VF NH (Mi. VI, VII); Denmark with scarce earlies to 1895 all with certificates and some strong collections including the 1927-33 Advertising Label se-tenant pairs mainly NH or LH (Facit US \$13,000+), also early Faroes with Thorshavn bisects, 1940-41 Provisional varieties, etc. Great Britain has some strong collections of earlies to QE II plus nice individual QV items. Indian Feudatory States continue to show amazing gains and we have a nice starter collection on offer, also nice Hyderabad proofs/reprints, some very scarce Kishangarh covers, a Bhopal collection with multiples, and another fine Revenue collection with scarcer K&M items noted. Israel includes early issues in complete sheets from the 1949 2nd Coinage set, Petach Tikvah issue, 1950 UPU set, etc. Be sure to check the collection of unused Nepal #1 postal cards, mostly identified by van de Wateren (70 unused cards and one used), and the very scarce used cards with Types II and III Kathmandu cancels. Philippines includes possibly the finest collection/study of the 1965 JFK issues with rarities including a copy of the 6s imperforate, 30s with two of the four known imperforate used singles, many missing colors (10s Pink omitted in block of 4 - only 75 known), shifted printings, etc. The seriously undervalued St. Thomas & Miquelon 'France Libre' rarities are here in exceptionally scarce NH condition, most signed Bileski, from a holding originally purchased from him. Many other great items together with Country and Worldwide collections/accumulations are looking for new homes. Can you help? Have fun.

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.

CONDITIONS OF SALE

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
 2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by the auctioneer not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. Auctioneer shall not be liable for any errors or omissions in the execution of telephone bids taken during the auction. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
 3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
 4. There is a 15% buyer's premium added to the hammer price.
 5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
 6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You must confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434. **NOTE:** Customers bidding on the phone during the auction will be charged a minimum of \$10 for domestic calls, and a minimum of \$20 for overseas calls. Daytime hotel rates apply. Phone bidders must fax or e-mail a copy of the bid sheet, signed and with valid credit card number listed, showing lot numbers they wish to be called for. Reservations for phone bidders are limited. If we do not receive a signed bid sheet with a valid credit card listed, we will be unable to add you to the reservation list. Customers bidding on the phone are subject to all the same requirements and conditions as all other bidders.
- PAYMENT (See Credit Rules on Page 6)**
7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
 8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
 9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**
 10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.
 11. All cost of mailing lots will be paid by buyer. We normally mail lots via certified mail (**minimum \$6**); foreign buyers, (**minimum \$15**) registered. (For successful overseas bidders with lot totals exceeding \$1000, items will be shipped via Express Mail unless otherwise specified.) Express Mail minimum \$19.00. US & Foreign Delivery successful winners under \$20 sent by first class or regular airmail with a **minimum shipping and handling charge of \$3**, not Registered or Certified, at customer's risk.

 13. **International Bank Wire Instructions:** Century National Bank (wire department), 65 North Orange Avenue, Orlando, FL 32801 (407) 515-6500. Routing #063114810 For Credit to: Michael Rogers Incorporated Auction Account #6593941.

AUTHENTICITY

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
15. All lots for which an opinion is sought must be paid for at the time of notification.
16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".
17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.
