CENTRAL FLORIDA FAIRGROUNDS
Main Exhibit Building - 4603 West Colonial Dr.
Orlando, FL 32808

Welcome to Michael Rogers Public Auction Sale #105 being held in conjunction with FLOREX.

As usual, we have assembled a wide variety of material from many consignors and hope to have something for everyone.

China is well represented, from Large and Small Dragons including varieties, plus rare postal history including only the second reported cover with the Taian English-Chinese oval dater, unrecorded by Chang. ROC also includes some desirable covers. Items from the Provinces will attract much interest with scarce to rare including the 1945 Formosa unissued 5y and 10y Offices in Taiwan imperf blocks of 4 printed on both sides; Kansu Sc 1 and C1 VF og NH; Northeastern Province 1948 Parcel Post issue complete NH, etc. A nice run of covers used in French, German and Russian Offices will generate much interest. The stars of this section have to be the PRC Liberated Soviet Post issues with the exceptionally rare 1932 30c Blue from the Red Army Attacking series in a huge margined vertical pair, no gum as issued, NH (Yang SP10) as well as SP2NH, SP6 hinge trace, and SP7. Later PRC Unified includes a 1960 Registered cover with 20 fen (#280) sent Wuhan to Chairman Mao. Very nice Japan with individual items, collections and scarce postal history for the specialist. Korea with a wonderful cover bearing 15 copies of the 1900 1p on 5p red Tai Han on Yin Yang issue ex. Burrus. Ryukyu from the first set in NH blocks of 4 to airmail invert blocks of 4 NH plus interesting postal stationery will certainly please collectors.

Many large collections have been broken down into suitable lots, starting with the wonderful Walter Studhalter Portugal and Colonies. This exceptional collection focuses on the cancellations of Portugal, Angra, Azores, Madeira, Horta, and Ponta Delgada including postal history. You'll find 8 of the 1895 St. Anthony sets, 4 used on various islands. Individual rarities include Azores Sc 1 (2), 2 (2) plus many of the rare forerunners starting with Angra A1, A3, A4 and on and on. Exceptional cancellation collections are offered intact, ready for expansion if possible, also solid starter collections of most colonies. You'll find Canada and Provinces here, also some great Germany including a copy of the Heydrich Memorial Sheet, IPOSTA and Nothilfe S/S, 1871 German occupation of Alsace-Lorraine covers, etc. Great Britain includes Penny Blacks and most of the QV - GV High Values fine used, also a copy of the rare 1875 9d Bistre Plate 2 unused with inverted watermark. US starts with a fine 1861-63 3c Rose 'D' Grill, some nice postal history including a long 1862 Union soldier's letter from Harper's Ferry, nice Canal Zone, Hawaii and Guam with 1899 - 1930 covers, Philippines with a UX 16 used to Osaka, Japan. A great variety of collections including several Federal and State duck Stamp holdings, Precancels, Cut Squares, Revenues. Rounding out the Auction are 30 lots of Worldwide collections and accumulations including a 50-volume estate in Scott Specialties, dealer's stocks, covers, and some great Topical collections: The Concorde, Dinosaurs, Mushrooms, Medicine. As a last minute gift for the holidays, why not treat yourself to the very scarce 1928 Fournier Album of worldwide forgeries, offered intact?

Best of luck with your bidding!

Don't forget: We are always looking for similar material for our Auctions or outright purchase and would be pleased to discuss the correct method of handling your collections. Stop by our Super Booth at the show or call us for more information.

Please do NOT call for winning bids before Dec 5, 2006.

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.

CONDITIONS OF SALE

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
 2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by the auctioneer not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. Auctioneer shall not be liable for any errors or omissions in the execution of telephone bids taken during the auction. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
 3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
 4. There is a 15% buyer's premium added to the hammer price.
 5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
 6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You must confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434. **NOTE:** Customers bidding on the phone during the auction will be charged a minimum of \$10 for domestic calls, and a minimum of \$20 for overseas calls. Daytime hotel rates apply. Phone bidders must fax or e-mail a copy of the bid sheet, signed and with valid credit card number listed, showing lot numbers they wish to be called for. Reservations for phone bidders are limited. If we do not receive a signed bid sheet with a valid credit card listed, we will be unable to add you to the reservation list. Customers bidding on the phone are subject to all the same requirements and conditions as all other bidders.
- PAYMENT (See Credit Rules on Page 6)**
7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
 8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
 9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**
 10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.
 11. All cost of mailing lots will be paid by buyer. We normally mail lots via certified mail (**minimum \$6**); foreign buyers, (**minimum \$15**) registered. AUTHENTICITY

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
15. All lots for which an opinion is sought must be paid for at the time of notification.
16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".
17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.
