Michael Rogers Inc. Public Auction #106

Friday, March 30, 2007 10:00 A.M.
at
La Quinta Inn, Fairbanks Room
626 Lee Road
Orlando, FL 32810

Welcome to our Public Auction Number 106. The first thing you'll notice is the size of the catalogue. With so much exceptional material we've been busy photographing almost 90% of the lots. You'll understand why when you see the outstanding sections of China, Canada, Great Britain and especially the U.S. which includes complete sheets of earlier issues.

This wonderful auction offers much Imperial China from cancellation collections with Lunar, Silver Dollar Dater, Pakua and more plus marvelous stamps/postal history. Note the Large Dragon cover, Empress Dowager errors, Red Revenue perfin, splendid PRC Liberation Areas and Unified. We note the exceptionally rare Hong Kong 1879 10c/16c mint. Japan makes a powerful impression with marvelous intact cancellation collections 1872-1960. The serious bidder simply must come in and examine lots #830-44 for they were formed by an astute collector and contain much accomplished material. The Japan section is packed with interesting material. We call your attention to the postal history, whether single items, or lots of 1000 pieces. Korea contains perhaps the finest known example of the 1903 Emperor's Crown sheet, one of perhaps 7 or 8 intact known. Exceptional Empire postal history accompanies. Ryukyu Island collectors will recognize the rare 1951 1000 yen Allied Military Currency note. Unique Vietnam War essays are sure to find an eager audience.

The worldwide section highlights the Canada and Great Britain collections which were put together by a collector who attempted to complete the countries mint NH or LH. The sheer quantity of Canadian matched Plate Number Blocks and the very scarce imperf pairs of the GV - GVI issues will surely amaze the knowledgeable Canada specialist with over 140 lots including some postal history. Great Britain from #1 and #2 mint set the stage for 80+ lots of wonderful, fresh material including collections of the Channel Islands. Smaller but equally select collections of Falklands, Gibraltar and Malta are also from the same collector. Other collections include a wonderful specialized Liberia collection with die proofs, imperf proof sets, overprint and surcharge varieties as well as a general run of the issues; Luxembourg mint and used collection 1852-2001, missing around 20 stamps for completion; individual collections of the Malayan States, German States, Scandinavia and Great Britain, as well as an India First Flight collection on written up leaves and a 10 page study of the first issues of Tonga plus the 1891 surcharges. As one of our collector/friends said "So many stamps, so little time." Have fun and Happy Bidding! "He who does not bid has no chance of winning."

Note: By the time you receive this catalogue, Michael will be getting ready to set out on another buying trip along the Eastern seaboard, working his way toward New York where we'll have booth 442 at the ASDA MegaShow in Madison Square Garden, March 15 - 18. Call to set an appointment with him for a visit if you have better Asian or Worldwide material for sale or consignment (minimum \$2,500) or stop by our booth to drop off and discuss the immediate sale or consignment of your better material in one of our upcoming auctions. See you in New York!

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.

CONDITIONS OF SALE

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by the auctioneer not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. Auctioneer shall not be liable for any errors or omissions in the execution of telephone bids taken during the auction. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
4. There is a 15% buyer's premium added to the hammer price.
5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You must confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434. **NOTE:** Customers bidding on the phone during the auction will be charged a minimum of \$10 for domestic calls, and a minimum of \$20 for overseas calls. Daytime hotel rates apply. Phone bidders must fax or e-mail a copy of the bid sheet, signed and with valid credit card number listed, showing lot numbers they wish to be called for. Reservations for phone bidders are limited. If we do not receive a signed bid sheet with a valid credit card listed, we will be unable to add you to the reservation list. Customers bidding on the phone are subject to all the same requirements and conditions as all other bidders.

PAYMENT (See Credit Rules on Page 6)

7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**

10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.

11. All cost of mailing lots will be paid by buyer. We normally mail lots via certified mail (**minimum \$6**); foreign buyers, (**minimum \$15**) registered. 13. **International Bank Wire Instructions:** Seacoast National Bank (wire department), 65 North Orange Avenue, Orlando, FL 32801 (407) 515-6500. Routing #063114810 For Credit to: Michael Rogers Incorporated Auction Account #6593941. **See Page 57 for Bank Wire Payment Instructions.**

AUTHENTICITY

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.

15. All lots for which an opinion is sought must be paid for at the time of notification.

16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".

17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.
