**Best Western Mt. Vernon Inn
110 S. Orlando Avenue, Room 144
Winter Park FL 32789**

We present lovely specialized Chinese and Manchurian Local Overprint material from the Charles M. Otstot collections. Charlie was a good friend and we're pleased that he chose us to handle his exceptional holdings.

Qing Dynasty Large/Small Dragons (like the beautiful mixed franking cover lot #141) abounds with elusive material. Note the Large Dragon large margin unused set with certificates, the 1897 \$1 Red Revenue Never Hinged, and the Coiling Dragon/Dowagers. ROC 1912-1949 no less impressive with a 1949 \$20 Flying Geese unissued, and 1913 London print complete on presentation sheet. Note exceptional PRC Liberational Areas, most ex. Otstot. Check out the 1969 All China is Red, mint and used (lots 287-8) and the Mei Lan Fang S/S. And the FDC stock!

We have a wonderful Hong Kong selection, with a hearty collection (#455 ECV \$7,500), the Japan OSS Wartime mini-sheet and amazing Japanese Reference collection of 2,976 items. The Karl Lewis selection is amazingly diverse. Note lot 591, the Korea Military Mail collection. A wide ranging Malaya-Japanese Occupation collection of postal history comes to you from Hawaii, each piece photographed and described with care. Choice Ryukyus includes a #17 and specialized.

Remember to look this catalogue over carefully - it's chock-full of cool stamps and postal history sure to delight.

Our Worldwide offerings keep getting stronger and more valuable with this Auction being no different. Croatia specialists will find 17 lots of scarce material including full sheets of 16 from the 1941 Charity set with gold overprint (Michel 39B, 40B), also proofs and imperforate varieties from the Minister albums plus two sets of the scarce B73-75 all signed. Writing the Germany was a pleasure with one of the finest collections we have offered in years. So many rare items from the Colonies: German SW Africa with top values in NH blocks of 4; the Cameroons "C.E.F." set o.g. LH; Caroline Islands with Scott 5a, 6a (TWO) fine used; Marianas with Scott 11a, 12a, 15a, 16a all fine used and signed; Togo with Scott 165, 166 VF used and many others. The States and Plebiscites with lovely singles and collections. WWII Feldpost with Crete inverted Inselpost (Mi. 7AK), Leros handstamped in dark blue/violet (Mi. 11Aa) both mint. Rare WWII Occupation issues abound, all signed, including the 1941 Rokiskis Local with inverted overprint and inverted 's' in overprint (3 known with both varieties), the 1942 Alexanderstadt overprint on Russia 1R dark blue, (less than 20 exist) and on and on. More in our December auction. The fantastic Ethiopia collection (lot 326 \$6000) is sure to delight. Specialized Greece with collections of the Large Heads separated by issue with some control and paper varieties noted. Iran has unused Scott 35, 36 and a fine used #38, all signed. Later with the Castaigne issue and sets all fine mint including the 1942-46 Pahlavi high values VF NH. How often do you find early Saudi Arabia all signed plus the 1961 Dammam Port souvenir sheets and the exceedingly rare 1965-70 Officials set of 27 og NH? Don't forget the large lots which include a huge worldwide collection packed into 48 Minkus Supreme Globals, some large topical collections, cover lots, and so much more. Best of luck with your bids!

Please do NOT call for winning bids before October 3, 2007.

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.

CONDITIONS OF SALE

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by the auctioneer not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. Auctioneer shall not be liable for any errors or omissions in the execution of telephone bids taken during the auction. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
4. There is a 15% buyer's premium added to the hammer price.
5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You must confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434. **NOTE:** Customers bidding on the phone during the auction will be charged a minimum of \$10 for domestic calls, and a minimum of \$20 for overseas calls. Daytime hotel rates apply. Phone bidders must fax or e-mail a copy of the bid sheet, signed and with valid credit card number listed, showing lot numbers they wish to be called for. Reservations for phone bidders are limited. If we do not receive a signed bid sheet with a valid credit card listed, we will be unable to add you to the reservation list. Customers bidding on the phone are subject to all the same requirements and conditions as all other bidders.

PAYMENT (See Credit Rules on Page 6)

7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**
10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.

AUTHENTICITY

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
15. All lots for which an opinion is sought must be paid for at the time of notification.

16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".

17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.
