Best Western Mt. Vernon Inn
110 S. Orlando Avenue, Room 144
Winter Park, FL 32789

In all likelihood, you have already scanned the front and back covers of our 118th Public Auction catalog and probably spotted an item that grabs your attention whether you collect China, Asia or Worldwide, stamps or postal history. Every section of this sale has something exciting like the United States. Did you spot the rare Stock Exchange Bicentennial with inverted center? If not, look again!

Spirited bidding is almost guaranteed for several items in the China section, especially the showpiece block of twenty 1897 Empress Dowager 10 cent on 9 candarin Dull Green on the back cover. Passionate postal history collectors will have their appetites whetted by the 1888 Shanghai to Port Jefferson NY mixed franking cover. That's one of 25 Qing Dynasty postal history lots. Scarce PRC complete sheets, Mei Lan Fang S/S, Cultural Revolutions. Killer Japan and Ryukyus, too!

Our burgeoning coterie of booklet collectors will again find many desirable pieces, notably scarce Argentina, rare Belgian Congo and Estonia, strong early France, Italy and Japan, and many more.

Flight cover collectors will be "aflutter" when they peruse the Do-X, Zeppelins and First Flight covers found throughout the sale like the Do-X Newfoundland C12 flight Holyrood-London, autographed.

Finally, we want to mention the many desirable stamps starting with the United States. This section boasts four White Plains and four Graf Zeppelin sets. British Commonwealth includes GB with QV high values, 1929 £1 PUC mint and more. There's a valuable Cayman Islands collection offered intact, followed by a plethora of Japanese Occupation issues. In addition to the British, there is a wealth of France including proofs, a large selection of Germany with much specialized material, all identified by Michel, fascinating and scarce Poland prisoner of war material, Monaco Albert Durer error and the unissued Helicopter stamp plus specialized one-country collections.

As you can see from the great variety offered, we are constantly in need of better items and collections for our auctions or outright purchase. Remember, we're just a phone call or e-mail away and we travel! Good luck in your bidding.

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.

CONDITIONS OF SALE

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his/her decision is final.
2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by the auctioneer not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. Auctioneer shall not be liable for any errors or omissions in the execution of telephone bids taken during the auction. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
4. There is a 15% buyer's premium added to the hammer price.
5. Phone bids, internet bids and faxes are accepted until 5:00PM the day before the auction. No bids accepted the day of sale.
6. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
7. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You must confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434. **NOTE:** Customers bidding on the phone during the auction will be charged a minimum of \$10 for domestic calls, and a minimum of \$20 for overseas calls. Daytime hotel rates apply. Phone bidders must fax or e-mail a copy of the bid sheet, signed and with valid credit card number listed, showing lot numbers they wish to be called for. Reservations for phone bidders are limited. If we do not receive a signed bid sheet with a valid credit card listed, we will be unable to add you to the reservation list. Customers bidding on the phone are subject to all the same requirements and conditions as all other bidders.
- PAYMENT (See Credit Rules on Page 6)**
8. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
9. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
10. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURN PRIVILEGES.**
11. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.
12. **All cost of mailing lots will be paid by buyer. Successful purchases are shipped via Express. Standard charges are \$18 within the United States and \$30 for most Foreign destinations. AUTHENTICITY

15. All lots are sold as genuine and correctly described. Lots accompanied by a valid Expert Certificate issued within 5 years prior to auction date are sold on the merits of that Certificate and are not subject to extension for re-certification. If an extension is requested for other lots, that request for extension must be made at time of sale subject to the following conditions:
 - A. The lot must be paid for in full.
 - B. Lot must be submitted by Michael Rogers Inc. or the Buyer to an Expert Committee acceptable to Michael Rogers Inc. within 14 days of the sale date.
 - C. If lot is submitted by the Buyer to an acceptable Expert Committee a copy of the submission form must be forwarded to Michael Rogers Inc. immediately.
 - D. If Expertizing is not completed and the results forwarded to Michael Rogers Inc. within 90 calendar days of the auction date, the Buyer shall notify Michael Rogers Inc. in writing of the anticipated delay prior to the expiration of the 90 day extension period already granted. If Buyer fails to inform Michael Rogers Inc. of the anticipated delay then Michael Rogers Inc. may consider the purchase final and pay sales proceeds to the consignor as Buyer's acceptance of the lot. If there is no timely notice and request for additional time received in writing by Michael Rogers Inc. prior to expiration of the 90 day extension, the transaction will be considered closed and final by Michael Rogers Inc. with Buyer's acceptance without objection, and waiver of default or any other claim for refund from the seller or Michael Rogers Inc.
 - E. A finding of "No Opinion" shall not be grounds for the return of a lot.
 - F. Expertization costs shall be paid by the Buyer. However, in the event of an adverse opinion not due to condition or grading, Michael Rogers Inc. will refund the expertization costs to a maximum of \$50.00, the full purchase price and the commission paid, provided that the lot is returned to Michael Rogers Inc. in the same condition as it was purchased, along with the certificate. No lot will be accepted back for refund due to 'grading' which is a highly subjective evaluation. Under no condition will we accept the return of an encapsulated stamp.
 - G. If in the Buyer's opinion a description is incorrect, the lot must be returned within 14 days of receipt with a written explanation of the incorrect description.
16. The following lots are NOT returnable under any circumstances:
 - A. Lots containing 10 or more items.
 - B. Lots described with defects, faults, repairs, or "mixed condition".
 - C. Lots that were inspected by the Buyer or Buyer's agent prior to the sale.
 - D. Lots which are illustrated due to factors visible in the illustration (centering, cancellation, perforations, etc.)
 - E. Lots described "As Is" are not returnable under any circumstances. All disputed lots must be returned intact and in the condition as received by the Buyer.
 - F. Large lots, collections, accumulations are not returnable under any circumstances.

1877-1950 Selection of about 35 items, includes three covers and all the others are picture postcards. The earliest item is a cover from Saigon to Parthendy France while the last is an airmail cover from Cambodia to Saigon. Virtually all the other items are picture postcards from about 1903 to 1925. Many of these have the stamp affixed to the picture side and were mailed from smaller towns to France. A quick perusal will reveal that these cards are quite attractive and should easily retail \$25 and higher.

S 691 U	1871-1886 Reference collection of over 150 used forgeries mounted on several loose Lighthouse album pages. The collector apparently tried to fill the spaces, so the stamps are organized in catalog order with some duplication. The first issues are somewhat sparsely represented though we note #6d (ISJP certificate as a forgery). The 1872-74 spaces are quite well-filled followed by a page of 1875 arranged by syllabic. Other ISJP certificates as forgeries include #50 and 67 (2). A great lot for the specialist.	ECV \$750.00
692 **/U	1871-1983 Collection of several hundred mint and used stamps in mounts housed in a three-volume album printed in Japan. Each stamp identified by Japanese catalog number. The collection begins with a selection of mostly used classics of the 1870's, though most of these are a little dubious and not counted in the catalog value. From the 1880's to about 1915, the collection is mostly used, though we did spot mint #80 and 85-86. Among the 1920's and 1930's issues, the sets are often mixed mint and used and often the collector would have both mint and used in the same mount. The issues of the 1940's and 1950's are mostly mint and in this section we find some better such as 423, 480-97 and C1-2 (not signed). After 1960 the collection in generally NH and includes some definitive sets in \$20 to \$50 range. Condition is somewhat mixed especially on the early material though majority is Fine-VF and useful. As usual for material of this era, condition is a little mixed and there are a few dubious items, however, the owner was fairly knowledgeable so most are useful. 694 U	1876-1907 Specialized collection of several hundred used stamps on album pages arranged by perforation varieties. We did note a few better stamps such as #63 (2) and 66 (2). In additional, many of the perforation varieties carry significant premiums in the JSCA catalog. Finally, a quick perusal will reveal that there is a wealth of better cancels for the sharp-eyed collector who appreciates these. Condition is a little mixed, though the majority are Fine-VF. (Sc cat val \$1,300+)	ECV \$300.00
P 695 **/U	1876-1963 Extensive mostly mint collection in mounts in two White Ace binders. The collection actually begins a little earlier than 1876 however, these classics are mostly counterfeits and thus not counted. Although there are a few used stamps scattered throughout, nearly everything is mint starting from 1876 where we note several low values to the 20 sen value followed by an attractive group of mint from the 1899-1907 series including the top two values (#107-08). The 1914-25 "Old Die" issues are equally presentable. Many better items are present including 163-66, 198-201, 479, 480-97 and 505-08. In addition, the National Parks sets are virtually complete including the souvenir sheets such as 306a, 311a, 318a and 323a. Condition is somewhat mixed especially on the early material, so inspection in recommended. (Sc cat val \$7,625) (Plate 41)	ECV \$1,000.00
696 **/U	1900-1985 Extensive collection of many hundreds of mostly mint stamps arranged in mounts on album pages. Here and there we note better items such as 378a souvenir sheet, 479, 498 lottery S/S, and 508b Athletic Meet, plus a wealth of material in the \$10 to \$50 range especially among the later National Parks souvenir sheets and lottery sheets of the 1950's. Although there are a few small faults, the vast majority are Fine-VF with much NH after 1960. (Sc cat val \$7,000+)	ECV \$1,400.00
S 697 U	1923 Earthquake Emergency issue, highly specialized used collection on blank pages. The collector has done extensive research on this issue and has made significant progress in plating each denomination. In addition he has identified city and town cancels as well as shades, plate varieties, and obviously the private perforations and roulettes. The collection includes 1/2 sen Gray (16), 1 1/2 sen Blue (55), 2 sen Red Brown (38), 3 sen Rose (57 including roulette block of six), 4 sen Green (13), 8 sen Orange (6), 5 sen Violet (37), 10 sen Deep Brown (52), and 20 sen Deep Blue (54). 920 **/*U	1852-1960 Worldwide mint and used collection in an old European album. The collection begins with a handful of Seated Helvetia issues through the 1930's followed by some William Tell and some Standing Helvetias. The real value of the collection is found in the more recent material from the late 1940's onward. The most unusual feature of this section is the sets in both mint and used blocks. The used blocks are all beautifully cancelled with a central strike of first day cancel. These are premium quality in Switzerland. Each of the mint blocks has NH bottom pairs. Also among this section are many valuable souvenir sheets including used 242, 352, B131, B143, B144 and B178 (2). The souvenir sheets alone catalog about \$1,000. The collection concludes with some better airmail issues and Officials. Condition is generally Fine-VF with much saleable material.	ECV \$500.00
921 U	1858-1940 Valuable and substantial stock of classics arranged in catalog order in two stock books. More than half the value is found on the first few pages of Seated Helvetia issues including #35 (2), 38 (40), 39 (30) and 40 (20). The stock continues in a similar fashion into 1930's and includes a wealth of varieties not listed by Scott; therefore this is an excellent lot for the specialist who is looking for color varieties, paper varieties, or even cancels. As usual for material of this period, condition is a little mixed, however there will be much useful for the sharp-eyed collector. In fact, one stock book has some recent MNH new issues at the back of the book. Well worth viewing.	ECV \$1,000.00
