## Asia/U.S./Worldwide Public Auction SALE #99

**Friday, April 22, 2005 10:00 A.M.**

**AT**

**Best Western Mt. Vernon Inn  
110 S. Orlando Avenue  
Winter Park, FL 32789**

Welcome to our Public Auction #99 of Asia, US and Worldwide material. In addition to some very fine and scarce China, especially the PRC Liberated areas, we are pleased to present the Louis H. Bornmann collection of Tibet which contains some of the scarcest postal history to have come in auction in years. Nearly every lot is of exhibition quality and will become welcome additions to many specialized collections. We must offer a very sincere Thank You to our friend Leo Martyn for his extensive knowledge and wonderful write-up of the material. We have Shiu Hon Chan's Manchurian Local Overprint collection (lot #554), exceptional Korean Empire and Republic plus lovely Chinese Offices in Tibet postal history. In the World Wide material, we are listing some very fine British Oceania with specialized postal history from New Britain and NW Pacific Islands as well as some choice Niue. There's also a nice selection of Airpost with a very scarce signed Earhart cover (1 of only 49 prepared by her) and early China First Flights. Individual country collections are listed alphabetically and rounding out the Auction are our ever popular large lots including stamps, cover accumulations and topicals. Look carefully and good luck with your bidding!

**THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF ALL CONDITIONS OF SALE.**

**CONDITIONS OF SALE**

1. All bids are per lot numbered in the catalog; the right is reserved to withdraw any lot prior to sale, or to act on behalf of the seller. Lots will be grouped only at the discretion of the auctioneer; his decision is final.
2. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith; in the event of a dispute, the decision of the auctioneer shall be final. **Unreasonably limited bid sheets cannot be accepted; your "limit" should represent a significant percentage of your total bid sheet (i.e. bidding on 20 items for a total of \$500 and limiting the total of your purchase to \$50).**
3. The highest bidder shall prevail at one advance over the second highest bidder. Unlimited or buy bids are not accepted.
4. There is a 15% buyer's premium added to the hammer price.
5. Mail bids are accepted up until the day of sale. No bids are accepted for less than 50% of the ECV. In event of identical mail bids, the earliest received shall prevail. No unsigned bid sheets are accepted. Use the bid sheet in the catalog. Observe the bidding increments. Bid in US dollars.
6. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Phone bids made within 7 days of auction by bidders unknown to us must be secured by Visa, Master Card or American Express numbers and expiration date. You may confirm phone bids by sending your SIGNED bid sheet to our FAX # (407) 645-4434.

**PAYMENT (See Credit Rules on Page 6)**

7. The terms of sale are strictly cash on delivery to the winner unless other arrangements have been made prior to the auction. State sales tax must be paid as appropriate; dealer Florida tax number must be on file.
8. Successful bidders are expected to make payment in full before lots are delivered, immediately upon notification. All foreign bidders must make payment in US funds drawable upon a U.S. bank. Bidders who have established credit or who supply acceptable philatelic reference may have lots forwarded in advance of payment, though first purchases from all new bidders must be prepaid. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Proof by the auctioneer of receipt of sending at the address submitted with the bid sheet shall constitute delivery. Lots paid for by American Express, Visa or Mastercard are shipped at once, subject to credit verification.
9. Until paid in full, all lots remain the property of MICHAEL ROGERS, INC. on behalf of the seller. If payment is not received on time, we have the option to offer any lot to the underbidder. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. **LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURNPRIVILEGES.**
10. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. Jurisdiction shall be in Orange County, State of Florida.
11. All cost of mailing lots will be paid by buyer. We normally mail lots via certified mail (**minimum \$6**); foreign buyers, (**minimum \$12**) registered. (For successful overseas bidders with lot totals exceeding \$1000, items will be shipped via Express Mail unless otherwise specified.) Express Mail minimum \$19.00. US & Foreign Delivery successful winners under \$20 sent by first class or regular airmail with a **minimum shipping and handling charge of \$3**, not Registered or Certified, at customer's risk.
12. All returned lots are at expense of buyer.
13. **International Bank Wire Instructions:** Century National Bank (wire department), 65 North Orange Avenue, Orlando, FL 32801 (407) 515-6500. Routing #063114810 For Credit to: Michael Rogers Incorporated Auction Account #6593941.

**AUTHENTICITY**

14. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertisation, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority (and expected date of the opinion). The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertisation will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
15. All lots for which an opinion is sought must be paid for at the time of notification.
16. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots from purchasers who have had the opportunity to examine them prior to the Auction, (except in the case of authenticity), lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".
17. All returned lots must be returned in the condition received by the buyer. Recently an expertising service has started to offer a grading and encapsulating service. Under no account will we accept return of an encapsulated stamp.
