CHARGE CARD PAYMENT ENSURES IMMEDIATE SHIPMENT.

We are knowledgeable, aggressive buyers and constantly need new material of Asia, World-wide and USA: stamps, postal history/postal stationery and literature. We buy outright or can accept for Public Auction and Mail Sale. Kindly remember us. Please contact Michael Rogers or Peter Rieman.

Due to the streamlined nature of this sale, we again will not photo the "modern" issues. Unless noted, stamps and small items are shown at 66%, while covers and larger items are shown at 50%. For the modern mint NH sets found throughout this sale, expect the usual quality that these items are normally found in. Please note that photocopies are available at 35¢ per page (B&W) or \$1 per page (color), and we will make every attempt to group several lots per page. Send a self-addressed stamped envelope. Remember, a 15% buyer's premium will be added to all purchases. Following the policy set in Mail Sale One, **no start bids or prices realized will be available**. Thank you again for your participation. Good luck in your bidding.

TERMS AND CONDITIONS

1. Each lot is subject to any reserve price imposed by the Vendor. Such reserve prices may or may not be shown in the catalogue at the discretion of the Auctioneer. A buyer's premium of 15% of sale price will be added to the hammer price of each lot.
 2. Subject to term #1, the highest bidder for each lot shall be the purchaser thereof at one increment over the second highest bid.
 3. The Auctioneer reserves the right to refuse any bid or bids without explanation.
 4. In the event of any dispute as to the highest bidder, the Auctioneer shall have absolute discretion to determine the dispute.
 5. The bidding and advances shall be regulated by and at the absolute discretion of the Auctioneer.
 6. The Auctioneer reserves the right before or during a sale to group together lots belonging to the same vendor, to split up and to withdraw any lot or lots at the Auctioneer's discretion and without giving any reason in any case (without liability to any potential purchaser).
 7. The auctioneer acts as agent between vendor and purchaser only and shall not be liable for any default of the purchaser (providing he has not handed over the goods) or vendor.
 8. All phone bids must be confirmed in writing. We will act on behalf of the mail bidder and will enter all bids via mail or telephone with due diligence. However, we accept no responsibility for errors in either understanding or executing bids. Any portion of such deposit not used will be promptly refunded after the sale. Lots will not be sent until paid in full. Bidders who have established credit are expected to remit on receipt. No claims or returns accepted for any reason (except authenticity) after 14 days of receipt. Auctioneer reserves the right to dispose of all lots without notice to the defaulting buyer if payment is not made under the terms specified herein, and the defaulting buyer agrees to pay the reasonable costs of such subsequent sales; should a lower price be obtained, the defaulting buyer further agrees to pay any such difference to the auctioneer. LATE REMITTANCE MAY BE CONSIDERED JUST CAUSE TO REVOKE ALL RETURN PRIVILEGES.
 11. If purchase price has not been paid within the time limits agreed, a late charge of 1½% per month shall be imposed on overdue payments. If legal action is required, all expenses are to be paid by the bidder, and all matters arising on account of this auction shall be construed under laws of the State of Florida. 15. All lots are sold as genuine and correctly described; if in the buyer's opinion a description is incorrect, the lot must be returned intact within 14 days of receipt. If an extension of time is required for submission of a lot to a mutually acceptable authority for expertizing, the buyer must notify us within 14 days of receipt that an opinion is being sought, together with the name of the authority and expected date of the opinion. The sale shall remain open until an opinion is rendered; however, no returns will be accepted under any circumstances more than two months from the date of sale. A finding of "no opinion" is not grounds for the return of a lot. All expenses for expertizing will be borne by the buyer except in the case that a lot is proven not to be as described, in which case the seller will refund the actual costs, not to exceed \$50 per lot.
 16. All lots for which an opinion is sought must be paid for at the time of notification.
 17. The following lots are not returnable under any circumstances: lots containing 10 or more items, lots described with defects, faults or repairs of any kind, or illustrated lots on account of factors visible in the illustration, or lots described "AS IS".

The many Dowager issues are well explained: the normal 1894 set (Scott 16-24), those printed elsewhere (Scott 16n-24n), the Mollendorf presentation set, and how to distinguish each. Then the various small and large overprints are carefully described. Prices listed are in 1934 dollars. How we wish we could buy at those prices! | 1074 BK | CHINA 1878-1949 SCOTT/MA/CHAN CATALOG CORRELATION INCLUDING JAPANESE OCCUPATION OF CHINA, SHANGHAI-TREATY PORTS, AND MANCHUKUO by Ralph Weil with Michael Rogers. 2006, second edition, SB. At last, a China catalogue number correlation which helps every collector who uses Scott, Ma or Chan catalogues. Its three sections offer a Scott/Ma/Chan correlation; a Chan/Scott/Ma correlation; and a Ma/Scott/Chan Correlation. While the sequences which Scott, Ma, and Chan follow in organizing their material are logical, each uses different criteria. Thus, matching Scott, Ma, and Chan numbers can be most time-consuming. Our catalogue correlation is effort-free and most helpful; we use it every time we work on China! ECV \$20.00 | P | 1080 U | 1885 1 candarin Small Dragon pair, clean cut perf (12 1/2), VF. Since most of the originally surcharged stamps were issued between 1943 and 1945 by the Japanese Puppet Government, it is possible that the resurcharges were prepared for an anticipated postal rate revision which was prevented by the end of the war and collapse of the Puppet Government.
